**Learned Society promoting the development and understanding of peaceful nuclear applications:**

- **Energy**
- **Medicine**
- **Space exploration**
- **R&D etc.**

- **22 Member Societies, +12 000 Members**
- **28 Corporate Members**

# Youth Empowerment and public engagement

## ENS Young Generation Network since 1995:

- Supporting attractiveness of the sector
- Dissemination in schools, general public

## Nuclear for Climate initiative:

- International collaboration run by youth
- Awareness-raising about nuclear in climate and sustainable development

## Need of:

- **Consistency of policy and industrial strategy**
- Modern workplace
- Listen to the Youth!

# Public engagement

## Member Societies leading:

- School workshops
- Demonstrations at science festivals
- Open lectures, debates
- Informal events: in bars, at music festivals

## Need of:

- **Consistency of policy and industrial strategy**
- Every actor needs to fulfil its role towards the public
- Engaging via representative and relevant people
- Make it obvious & engage by experience
